

Family Counseling Center

Spring News 2020

www.fccredbluff.com 530-527-6702

Tehama County has blossomed! Take a drive down HWY 99 East and enjoy the beautiful view! Isn't it funny how we can always count on this every year? Well what a year it has been. So many unexpected things have happened in 2020. COVID19 was not something we were expecting at all, but FCC has responded with resilience and flexibility as we continue to support our community!

Things are looking a little different around here...

To comply with the Stay At Home Order, our therapists have moved to working at home. Client's are now receiving sessions by phone or video conferencing. The response we have received from this is very positive.

We have consolidated our operations to our Washington Street address, and our office staff are continuing at work in rotating shifts. They are able to receive requests for new clients and help with all necessary needs over the phone or e-mail. They are doing a great job!

Our Therapists, Ariel and Hillary, "working from home". Things might be looking a little more different than we realized, ha ha!

A huge THANK YOU to Cornerstone Community Bank for coming through for us with an SBA Paycheck Protection Program loan. This will make a big difference in helping our agency get through this difficult time.

Family Counseling Center
1347 Grant St.
Red Bluff CA 96080

Thank You Masons!

The Red Bluff Vesper Masonic Lodge made a very generous donation of \$3000 to The Family Counseling Center to help us serve lower income clients. We greatly appreciate your help!

May is Mental Health Awareness Month. Your donations to FCC helps to support those in need of professional counseling, especially those in need during COVID19. Our doors may not be “open” but our hearts are! Please consider helping fund a session to a client in need. Visit our website to donate online! <http://www.fccredbluff.com/>
