## FCC IS GROWING!

We bought a building! We now have an additional office building at 1112 Washington Street, just three blocks from our original location on Grant Street. We needed the additional handicap accessible space. We now have therapists seeing clients at both locations.

## OPEN HOUSE MAY 16TH

Come by 1112 Washington Street for refreshments on Thursday, May 16<sup>th</sup> from 5 to 6:30 PM. Say hello to our staff and board members and get a tour of our new place!
